

NATURE

The Alentejo offers the best in outdoor activities and the most stunning natural surroundings in which to enjoy them. The two are inextricably intertwined here.

Be as active as you like. Immerse yourself in nature. This is an open-air playground in an unspoilt landscape of vines, cork oaks and olive trees, wild flower meadows and swaying sunflowers. This is an epic countryside of open plains, wild mountains, stunning beaches, vast lakes and tranquil farmlands; a diverse range of habitats for a unique variety of wildlife. Explore it for yourself on land, water and in the air: each day, each activity brings a different experience. Come alive in the Alentejo.
